

Bill & Helen Voge

(2007, 251 acres)

Twin Township, Preble County

This easement connects protected properties along both Price's and Twin Creeks, both of which flow along this picturesque, 251-acre farm. This land features rich bottomland soils and a healthy riparian forest. The permanent protection afforded Twin Creek, one of the cleanest streams in Ohio, provides quality habitat for the indigenous fishes, macroinvertebrates, and mussels that thrive in this area. Protected as result of matching grants received from the Ohio Public Works Commission under the Clean Ohio Conservation Fund program.
