

Butterfield
 (formerly Smith)
88-acre
Easement
Oxford Twp,
Butler County

This easement protects 2,500 feet of Four Mile Creek and its banks, and acts as a buffer for the Oxford Wellfield and

the Springwood subdivision, the largest residential enclave in Oxford Township. It also protects rich, prime bottomland, a wooded hillside, and a streamside forest. Protected with help from USDA's Farm and Ranch Lands Protection Program.
