

Hazel Leedy-Call

(2005, 21.6 acres)

Washington Twp., Preble Co.

Hazel Leedy-Call donated the 21.6-acre conservation easement on her home property on Eaton Lewisburg Road in Washington Township, Preble County this past March because she wanted to make sure that her land was never developed.

The lovely homestead has a nice grassed swale and drainage with small woods, some large oak, maple and walnut trees, and about 16 acres of tillable prime farmland nearly abutting her son Jim and his wife Amy Leedy's soon-to-be-protected 463-acre farm.
