

Rise and put on your foliage, and be seen  
 To come forth, like the springtime, fresh and green  
 And sweet as Flora...  
 Come let us go while we are in our prime  
 And take the harmless folly of the time  
 Our life is short, and our days run  
 As fast away as does the sun,  
 Then while time serves...my love...let us go a-Maying.
