

**Fergus
112-acre Easement
Twin Township, Preble
County**

This easement protects agricultural values, as much of the farm is currently used for corn and soybean crops. Natural values are also protected. The western property line is bordered by Price's Creek. Wildlife management activities include native grass plantings

for quail and annual food plots for deer and turkey. A half-acre pond graces the 1840s brick home.

Judith & Joseph Fergus 111.77-Acre Easement
