

## Glander 17-acre Easement Lanier Township, Preble County

With Twin Creek frontage, this donated easement protects more than 70 acres of native grassland, natural wetlands, and other prime wildlife habitats. The forested hillsides, deep ravines, stream corridors, bottomland and upland pastures and fields are home to a

remarkable variety of plant and animal species. The property, owned by one family since 1870, also features a historic house and outbuildings barns.
