

**Moses**  
**91-acre Easement**  
**Gratis Township, Preble County**

Agricultural and natural values on this 91-acre farm were placed under the protection of a conservation easement in 2008. The area is topologically diverse, dissected by several drainages and sloping from east to west, completely draining into Twin Creek. The bluff above Twin Creek is nearly 100 feet high. The agricultural fields are naturally well-drained and untilled. The property includes diverse wildlife habitats, including fencerow, deciduous woodland, shrubby old field, pond, and riparian zone. Protected as result of a matching grant received from the USDA Farm and Ranch Land Protection Program.
