

Want to help raise money for Three Valley Conservation Trust JUST BY BUYING GROCERIES?

The Kroger Neighborhood Reward Program is a great way to earn money for your favorite non-profit organization like the Three Valley Conservation Trust, just by shopping at Kroger. Even in these difficult economic times, there is still a way for everyone to help support a clean environment.

Just contact the Three Valley Conservation Trust for your neighborhood reward gift card to receive one in the mail with the first \$1.00 loaded to get you started. Use this gift card when you shop to support the Trust without spending a penny!

For every dollar you put on your gift card, **Kroger will donate 4%** to the Three Valley Conservation Trust.

The card is reusable and can be reloaded any time you shop! You can use cash, check, or credit card to load a specified dollar amount on your gift card. It can be reloaded either at the customer service desk or at the cash register **before** your purchases are scanned. The card can be loaded up to any amount, with **no minimum balance**.

The Three Valley Conservation Trust as a non-profit organization would love any additional support!
