

**Geddes
100-acre Easement
Reily Twp, Butler
County**

This easement protects primarily natural values on a 100-acre parcel adjacent to the 88-acre Geddes Indian Creek Reserve conservation easement. The property protects a major tributary of Indian Creek along its southern border and approximately 0.75 mile of riparian corridor. This historic working farm has a rich natural heritage and diversity of wildlife habitats featuring pristine forests, bucolic ponds and hillsides, and diverse native flora.
