

# Back Yard Birding

Sponsored by Three Valley Conservation Trust

The Back Yard Birding program was inspired by its wonderful instructor, Suellen Albert. Suellen, a teacher and Green Team coordinator at Ridgeway Elementary, who jumped at the chance to put her training in birding programs for children into use with our summer program. Several of her amazing and bird savvy 6th grade students will serve as mentors and will assist with activities. These 5 weeks of birding fun will utilize the Cornell Lab of Ornithology BirdSleuth and Habitat Connections curriculum to inspire “serious” 3rd to 6th grade birders, ones who are likely to show up most weeks. Become a Bird Sleuth with TVCT! **Please register before season– call TCVT office 513-524-2150**
